Chattooga Ridge Canopy Tours
10 ziplines,
Dual helicopter lifts
7 sky bridges.

Chattooga Ridge Canopy Tours provides a diverse selection of views and experiences.

The 3-hour tour will take small groups of 8 to 12 guests, escorted by two Canopy Rangers, Rangers guide each small group through a ground-based practice zip section to teach basic techniques used to assist in flight before heading up into the trees.

Participants are lifted vertically 50 feet via a human hoist followed by tower and tree-based ziplines soaring through the wooded landscape surrounding Wildwater's 25 acre headquarters. Four ziplines will criss-cross flyers 50 feet above the private lake at Wildwater.

- Minimum age is 10 years old.
- A minimum weight of 70 lbs.
- Weight maximum is 250 lbs.
- All fliers should be able to lift their arms over their heads.

Combination adventures with Chattooga River Rafting, lake kayak tours, ropes course team building, or canoe tours are also available.

Rangers are committed to both safety and education as they share the cultural history of the 90 year old historic academy property and the natural features of the course and surrounding area.

Wildwater, this year celebrating 40 years of operation, is the original outfitter for whitewater rafting on the Chattooga River.
